*Highlighted **areas represent Homework Help days**. If you are in need of afterschool care on non-homework help days, Kama'aina Kids requires 2 days prior notification.

For the benefit of the students and teachers, we do have strict supervision policies at Mary, Star of the Sea School. Teachers are not authorized to dismiss students without confirmation of a ride. Therefore, the teacher in charge must wait until each child is picked up. We do understand that unexpected delays may occur, however it is important to notify your child's homework advisor, should you anticipate a late pick-up. To ensure the safety of your child, we would also like to kindly remind you to pick them up at the designated pick-up area.

Pick Up Areas:	Grades 1 - 3	In front of the school office
	Grades 4 - 8	In front of the school office

A fee of $10.00 will be assessed for "drop-ins" or late pick up. We appreciate your cooperation and continue to look forward to supporting your child's education needs.
