

Need a Tutor?

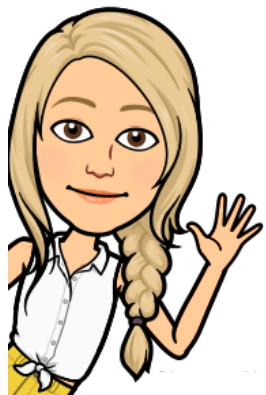

We are two progressive educators with a passion for teaching and supporting children's learning and development. We offer one hour tutoring sessions in-person and virtually for children in grades K-6. Tutoring sessions can focus on one subject or can be split between two subjects, such as: 30 minutes of Math and 30 minutes of Reading.

Who Are We?

Laci Hitchcock has worked in education for 9 years, while working with children PreK-12th. She has taught internationally in Bahrain, Suriname, Dubai and in the state of Hawaii. Laci has a passion for literacy and is also National Board Certified Teacher. Laci is currently the Curriculum Director at Mary, Star of the Sea School in Hawaii.

James Hitchcock is in his 9th year of teaching and has experience teaching internationally in Bahrain, Suriname, Dubai and in the state of Hawaii. He has taught Middle School Science for grades 6th-8th, as well as, has experience as a classroom teacher for grades 2nd-4th. He is currently a second grade teacher at Mary, Star of the Sea School in Hawaii.

Tutoring sessions are offered Monday-Thursday, after school from 3pm-4pm and 4pm-5pm on campus at Mary, Star of the Sea School. Weekend tutoring is also available upon request. You can contact us at lokahi.learners@gmail.com. Each 1 hour tutoring session is \$60. You can also find us on Instagram at, [lokahi_learners](https://www.instagram.com/lokahi_learners) and our website, <https://lokahilearners.wixsite.com/lokahi-learners> for more information.

Lokahi Learners

- MATH**
 - Word problems
 - Fact Fluency
 - Place Value
