

STAR OF THE SEA MUSIC LESSON REGISTRATION FORM

Lessons on Piano or Clarinet for grades K-8 (piano) and 4-8 (clarinet) are available with an experienced teacher who is an active member of the National Music Teachers Association. Lessons are given during music classes at school, recess, lunch, before and after school, weekends, and times approved by the student's classroom teacher. One workshop per semester (for piano & clarinet; separate fee) will also be scheduled, where students prepare and perform a piece for a small group of their peers, who actively participate in discussing it. All piano & clarinet students may participate in a Christmas Concert and Spring Concert held in the Church, and clarinet students may also participate in the solo/ensemble festival in January at UH.

Piano/Keyboard: Lessons are available with Marla Himeda or Anne Hung. You must have an instrument at home to practice on before lessons are scheduled. Keyboards must have full-size keys, be touch-sensitive (the weight of the hand can rest on them without them falling down) and have a sustain pedal. If your keyboard does not meet these requirements, please check below that you do not have one.

Clarinet/Saxophone: Lessons on clarinet are available with Marla Himeda, and on saxophone with Hayden Sinclair. The teacher will contact you regarding obtaining an instrument if you do not have one. An ensemble class is also offered to clarinet students with one year or more of experience who are also taking private lessons.
