ACRE RELIGION TESTING November 14

The ACRE test is a test that is given to students in grades 5 and 8. The purpose of the test is to see how students understand their Catholic faith and what they do to live them in their everyday life.

The test itself is divided into content and attitudinal values. This format indicates to all that the teaching of religion to young people is a team process with school and home.

Honolulu Zoo Needs All of You!

Our **STUDENT COUNCIL** has initiated a school wide drive for the Honolulu Zoo. Please refer to the flyer that was sent home in your child's brown envelope for more information.

*Thank you, Star of the Sea School Families,
Teachers and Staff for making our school
a very special place to be!*

kickoff - NOVEMBER 21

Our annual "Giving Tree" event, that assists Catholic Charities and the Homeless Solutions with Christmas gifts for families that need our help, begins on Monday, November 21, 2011.

A wish list coded ornament will be placed on a Christmas tree in Star of the Sea Church for students to pick from. Keep an eye out for further information.

Both the families of Star of the Sea School and Parish have enthusiastically supported this project in the past and we truly do appreciate your continued support! Mahalo!
