More than fifty years ago, Japanese violinist Shi'nichi Suzuki realized the implications of the fact that children the world over learn to speak their native language with ease. He began to apply the basic principles of language acquisition to the learning of music, and called his method the **mother-tongue approach**. The ideas of parent responsibility, loving encouragement, constant repetition, etc., are some of the special features of the Suzuki approach!!

Name of Student _____

Age(s) Including Birthdate(s) _____

Address: _____ State _____ Zip _____

Parent/Guardian Name _____

Home Phone: _____ Cell Phone: _____

Instrument Owned ? ___ (yes or no)

COST :30 minutes of lesson per week \$450 per quarter Registration deposit \$ 50 (The cost covers also 1 group class per month performing/ practicing the repertoire)

Instrument:

Purchase or rent a Violin. Check with School they have some available at \$20.00/month

TO PREPARE YOUR CHILD FOR SUZUKI VIOLIN LESSON:

1. Parents will have to attend the lessons, stay focussed and take copies or register them with their device. You need to be an informed home coach!
2. Parents should read Nurtured By Love (Ai ni ikiru), an autobiography by Shi'nichi Suzuki with explains the philosophy behind the method.
3. Purchase Suzuki Violin School Volume 1 on Amazon or any local music shop. Please look trough the the book and study the posture pictures.
Student will also need rosin. Teacher will provide some practicing objects like a foot chart (which is used for beginners to show proper foot placement) and a shoulder sponge pad.

Health of Student

I testify that my child's (or my health if an adult student) is in good health and that there are no physical impairments restricting him/her /myself from participating in lessons, classes, activities or events sponsored by The Suzuki Talent Education Viol School at Mary, Star Of The Sea School including, but not limited to, allergic reactions to medications except as here indicated:

parent/guardian Date
