- ★ **Augustine Educational Foundation (AEF)** – We are proud to have provided over \$8.5 million dollars in tuition scholarships since 1984 to our Hawaii Catholic Schools. The AEF supports ALL Hawaii Catholic Schools. All students (grades K-12) who will attend a Hawaii Catholic School during the upcoming school are eligible to apply. A student does not have to be currently enrolled to apply for a scholarship, but you do need to be officially enrolled at the time the scholarship is awarded.

- ★ **Kipona Scholarship (The Kamehameha Schools Financial Aid and Scholarship Services (FASS))** - The Kipona Scholarship provides need-based financial assistance to children attending participating private schools in Hawai'i (other than Kamehameha Schools). Students entering kindergarten and grades 4, 6, 7 and 9 may apply. Eligibility to apply for the Kipona Scholarship for grades 4-9 aligns with grade/region campus eligibility. Students entering kindergarten on the islands of Kauai, Oahu, Maui and Hawaii may apply. For more information about Kamehameha Schools' Kipona Scholarship program, please visit our webpage at <https://apps.ksbe.edu/financialaid/k12/kipona/>. Previously awarded keiki must reapply for funds each year.

- ★ **Mary, Star of the Sea (MSOS)** – The Mary, Star of the Sea Scholarship is awarded to students who will attend MSOS for the upcoming school year. The Mary, Star of the Sea Scholarship Committee reviews each application individually and uses the Augustine Education Foundation (AEF) Tuition Scholarship Program Application to determine eligibility.

- ★ **Reid J.K. Richards & Beatrice Young Foundation Kamakaho'ohie Scholarship** - The Reid J.K. Richards Foundation was established in 1999, in memory of Reid James Kamakaho'ohie Richards, who passed away following a courageous battle with lymphoma. At the time of his passing Reid was 33 years young and left behind a wife and two young children. The primary objective of the foundation is to provide the support necessary to aid grieving children and young adults who have lost a parent or primary caretaker through death. The loss of a parent or primary caretaker often results in financial hardship that can limit the potential achievements for many young people. To alleviate the financial burden, the Reid J.K. Richards Foundation has established the Kamakaho'ohie Scholarship. The Kamakaho'ohie Scholarship will provide financial support to bereaved individuals up to the age of 25. The purpose of the scholarship is to help these young people in achieving their academic goals through financial assistance.
